

## GROUP EXERCISE CLASS DESCRIPTIONS

### LES MILLS CLASSES

#### **BODYBALANCE™**

BodyBalance is a yoga-based class that will improve your mind, body, and life! During BodyBalance, an inspiring soundtrack plays as you bend and stretch through a series of simple yoga moves and embrace elements of Tai Chi and Pilates. Controlled breathing, concentration and a carefully structured series of stretches, moves, and poses to music create a holistic workout that brings the body into a state of harmony and balance.

#### **BODYCOMBAT™**

BODYCOMBAT is a high-energy martial arts-inspired workout that is totally non-contact. Punch and kick your way to fitness. No experience needed. Learn moves from Karate, Taekwondo, Boxing, Muay Thai, Capoeira, and Kung Fu. Release stress, have a blast and feel like a champ. Bring your best fighter attitude and leave inhibitions at the door.

#### **BODYPUMP™**

This revolutionary barbell workout challenges all major muscle groups. Class consists of squats, presses, lifts, and curls as you strengthen, tone, and define your entire body. You'll determine the level you work by choosing the appropriate weights.

#### **CORE™**

Based on cutting-edge scientific research, CXWORX is the ultimate way to get a tight and toned core. CXWORX is 30 minutes of dynamic training that hones in on your abs, glutes, back, obliques and "slings" connecting the upper and lower body and will leave you looking good and feeling strong.

#### **GRIT™**

30 minutes of high-intensity interval training (HIIT) developed by experts to deliver transformative results. Featuring short, intense bursts of effort followed by periods of recovery, the scientifically structured intervals allow you to push your body into your max effort training zone – and that's where the results happen!

#### **RPM™**

This indoor cycling workout guides participants to ride to the rhythm of powerful music. Take on the terrain with your inspiring team coach who leads the pack through hills, flats, mountain peaks, time trials, and interval training.

#### **SPRINT™**

Sprint is a 30-minute High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results and help your body burn calories for hours. This is a short, high-intensity, low-impact workout that is scientifically proven to return rapid results.

### FREESTYLE CLASSES

#### **CORE FOUNDATIONS**

A fun yet challenging core class where you will be trained on how to properly engage and strengthen different targeted muscles within your core. You will learn the fundamentals necessary to train the midsection, rotational, and stability components of your core!

#### **CORE + MORE**

This class is designed to build core muscle groups while improving posture through performing a variety of exercises that strengthen the abdomen and back muscles. The instructor may include equipment in this workout to keep it fun and challenging.

#### **FUNCTIONAL STRENGTH**

A training style that focuses on the whole body and multiple muscle groups while working against resistance mirroring everyday movements to emphasize strength and stability.

#### **HIIT HUSTLE**

High Intensity Interval Training that activates all the major muscle groups through quick, repeated bursts of strength and cardio moves, with alternating periods of rest and active recovery.

## GROUP EXERCISE CLASS DESCRIPTIONS
